- Sarah S. to purchase food+supplies and sidewalk chalk event details
- Amanda to email flyer to RCs to send out to tenants

3) New Tenants Welcome Packet update

- Per Mario in the Storke office, FSH provides a folder with move-in details, a magnet with Storke/WC FSH contact info, and the Resident Handbook.
- Most of TAB submissions to Sara M. do not overlap with the FSH packet. FSH offered to include our info in their packet.

4) General Membership Meetings

- Amanda and Sarah to attend both meetings—Rina to attend Storke, Nell to attend WC for notes.
- Flyers will be posted to all units for these meetings in addition to large posters around both campuses.
- Voting to take place in W10.

5) Residents' Concerns

- Outgoing mail slots have yet to be put in in both Storke and WC.
- Large shanty next to bike path in Storke .
- Organization of garden plots an issue. Brandy and Sarah S. have spoken to residents and Fito. The waitlist is now over 30 residents long. Many plots are untended and overgrown with weeds. This is ultimately a Housing issue
- Both WC and Storke parking lot lines, numbers, and Visitor parking designations are difficult to see at night, especially with lighting problems. Sarah will email Tom/maintenance.

6) FSHTA email

- Nell will start forwarding new tenant info to reps by area.
