

WHAT WE DO

We are a self-governing group of FSH residents. The Tenants' Association (TA) was originally organized in 1999. The TA works to ensure that the voice of residents is heard and housing decisions and policies are made with input from residents.

Our board members are available to you seven days a week. We will help you solve problems by sharing information with you and getting involved if your efforts alone have not solved the problem. We seek policy changes that will improve our families' quality of life.

ABOUT THE FEE

An annual \$27.00 TA fee is charged to each FSH apartment every summer. The amount was approved by FSH residents in an election and can't be increased without an election. The TA website, orgs.sa.ucsb.edu/tenants has our budget if you want further details.

ISSUES & PROJECTS

Past Year Successes: Protective hedge near street between front of Grounds and 794 Storke Apartments, filling of large street pothole at Storke, the clearing of overgrown brush @ West Campus and near bike path between Francisco Torres and Storke to eliminate the homeless encampment and minimizing the problems connected w/ the dangers of raccoon feces.

Current Issues: Continued efforts to change the time limit for housing extensions and TA efforts to help trouble shoot the ending of the YRP Program (Youth Recreational Program) here at FSH in order for the families affected to find an alternate solution for childcare.

Future Issues: Continued efforts to change the time limit for housing extensions, dangers associated w/ raccoon feces and mold in our apartments.

For more TA information and updates on the progress of these and other issues/projects please visit our website under FAQ's at orgs.sa.ucsb.edu/tenants.

Board Member Bios

2008-2009 TA Board

Alex Walker

Hi, my name is Alex Walker. I've been a graduate student in the UCSB Linguistics program for three years. I was born in Florida, where I still have deep family ties, but I was raised in Northern California. My wife Jenny and I have three sons, all under 7 yrs. old. I'm excited to be the new president of the 'Tenants' Association. I enjoy meeting new people and learning about other cultures and places. I understand the stresses of life as a student and also as a resident of family housing. I hope to work with you to make our community more enjoyable and safe.

Amanda Ridge

I was born in Philadelphia, Pennsylvania and raised in a small town in Maryland. I am currently a homemaker for my husband and daughter.

Chris Tennberg

Hi, my name is Chris Tennberg and I have lived in Storke II for 4 years. I am a PhD candidate in Philosophy here at UCSB as well as a freelance web designer. My wife Kim and I are going on 15 years of marriage and have two beautiful, amazing girls: Paris who is 11 and Berkley who is 4 years old. I look forward to serving as your Secretary/Webmaster on the TA Board this year.

Nell Gamble

I am a second year PhD student in the Materials department. I grew up in Wisconsin and did my undergraduate work at Purdue University in Indiana. I live in West Campus family student

housing with my boyfriend Brian and our two pet rats Molly and BamBam. In our free time we like to work in the garden, watch movies, mountain bike, and rock climb. I'm really excited to be the TA Board treasurer this year and get more involved in the community.

Cleo Lynx

Storke I representative.

Courtney Lynx

Storke II representative.

Jenny Walker

My name is Jenny Walker. My family has lived here at West Campus for close to 2 years now. My husband, Alex, and I have 3 little boys; Joshua, Christopher and Nathan. I am a full-time mom to my boys and I'm sure many of you have seen (and heard!) us around the complex. I enjoy reading, sewing, watching movies and just hanging out with my family and friends. Our family loves it here in the Santa Barbara area. We especially like living in family housing for the friendships and the sense of community. I'm excited about being the new WC representative. I hope to meet all my neighbors, make new friends and do my very best to take care of your concerns.
